OUR POLICY FOR GROWTH

 Standing with partners.

 Building business Collaboratively Consistently & Responsibly.

 12 years ago, Mrs. Kanhopatra and her son with a group of ten ladies came together to build an innovative wealth management system, offering empowerment, financial freedom and growth for rural people hence the S.K.B.S. 

-  4th June 2008 : in Hotel Industries
-  2010 : SS Scrubber
-  2012 : Biomass Briquette
-  2013 : Cleaning Products
-  2015 : Brooms, Mops and Brushes

And contract manufacturing for some of India's leading brands like:

-  3M Ltd Chakra
-  Jyothy Ltd Exo
-  Vibhava Corp.
-  R Y Marketing Mayuri

All these are working progressively as well as a National Wealth Management Firm. We are focused on positive value driven solutions through:

-  partnership with distributors
-  employees
-  vendors
-  partners and parent companies

S.K.B.S is a complete growth solution. An entirely different mindset for rural services - a line to achieve partners and employees centric goals. You have S.K.B.S support for long growth and for long term. Empower vision, mission and strategy. And our vision is much longer.

S.K.B.S mission is a Perfect Financial Strength for old partner employees in these industries we choose to stand up rather than stand by, deep vision.

COMPANY INTRODUCTION

"Wealth" is your destination but how you get that matters.

How about taking a stand? At S K Bhise & Sons Pvt Ltd, we stand for something dramatically different.

-  We stand for growth.
-  We make our distributors as partners
-  We provide pensions to distributors, employees to secure their future.

HAIR
TIME

PENSION YOJANA

What is Hair Time Pension Yojana?

How will it yield monthly income for one generation to another?
Hair Time is a company that makes products to deal with daily hair problems. We believe in growth and hence:

- We stand for growth.
- We make our distributors as partners
- We provide pensions to distributors, employees to secure their future.

Which is not only beneficial for the partners & distributors but also for the sales and profit of the company.

OUR POLICY FOR GROWTH

Standing with partners:
Building Business Collaboratively Consistently & Responsibly.

For example, Mr. Pravin becomes the first partner for Hair Time. He made good sales, and added 5 partners alongside. With three 5 partners, now he's qualified for the Hair Time Pension Yojana. But to be eligible for the pension yojana, his 5 partners have to make 3 successful transactions, and on their own transaction has to be qualified for the pension yojana. If any partner is not qualified for the pension yojana, then the company will not provide pension to Mr. Pravin. Hence suppose out of those 5 partners, one has to come out of 5 partners and make sure to get the 5th partner's share in any company will never let the team of 5 partners break or any long.

How much will the pension income be?
Suppose you win an amount of 200 dollars and its purchase from the total of it, you will get:
200*12 = 2400 (Purchase) 2400/20 = 120 (Share)
So, this is how you'll get 120 dollars target?

How to complete 200 dollars target?

- 1st Bill 100-100 = 200
- 2nd Bill 100-100 = 200
- 3rd Bill 100-100 = 200

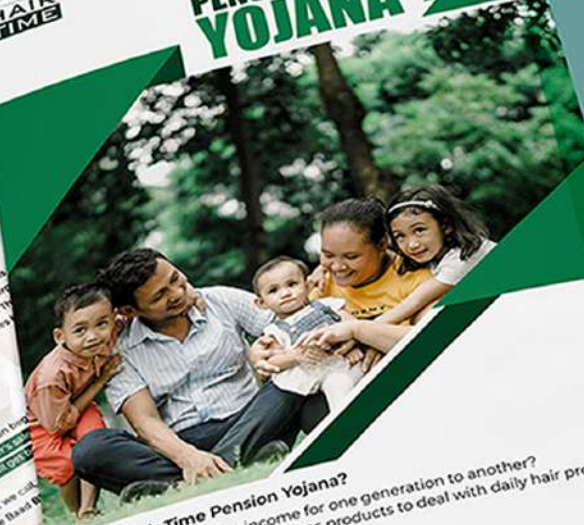

Because to get a partner, the first rule is partners along with his completed target. For the same the company provides:
Sales team
Advertisement
Media support
New schemes
Discounts

Now, Pravin's pension being **120 dollars in partner's share** and **120 dollars in partner's share** will be **240 dollars** in total.

This is what we call **"Saam ke Bandh"**
