**UAE begins the
NEW YEAR with a paid off!**

Dubai government announced a paid off on 21st july, on the occasion of the Islamic New Year for all public sector employees(1445H).
Previously, only the federal authority declared a holiday for all its entities.
Later, The Dubai Government with Federal Authorities, synchronized its public holiday schedule in the UAE to promote consistency.

Why store **Essential Oils**
in Glass Bottles?

- To maintain the potency of pure essential oils.
- It protects the product.
- Glass is not porous and will not interact with the chemical composition of these liquids.
- Glass bottles will protect the compounds from UV rays, keeping them potent for prolonged periods.

what the truck
by TRUCKNETIC

Working as a truck driver
in **South India pays more**
than in the rest of the country.

Better literacy in South India leads
to better lifestyle positioning. Henceforth,
truck drivers are also a part of the boon.

While coming on to the central India
to the north, the atrocities and struggles
with low pay increases for truck drivers.
